3. How to design your booth with useful equipment?

3.1 Booth Furniture Options

Your exhibition stand is the face of your company. That's why we want to make sure it represents your brand and your company in the best possible way. You can choose from different furniture, lighting options and decorative elements to create the perfect look.

Deadline: July 27, 2026

with personal booking link, which you will receive from us promptly.

- Please book the furniture you need
- Please inform the Team of PSE2026 over the **PSE2026 Mail** about included furniture you do not need
- Furniture included in the package price that is not required will not be charged back.
- More information (e.g. list of hire furniture, removal company, etc.) <https://pse-conferences.net/exhibition-overview/information/>

3. How to design your booth with useful equipment?

3.2 Fascia Board – For booth variant 1 only

At the top of your booth a fascia board will announce your company name or your Logo.

If you have booked the lettering included in the stand price, you will have already provided us with this information when placing your order.

Otherwise, please send it to us by email (max. 16 characters).

If you like to print your Logo here instead, please book about [your personal booking link](#).

- only logo as digital print (56,00 € + VAT) or
- fascia with logo as digital print and fascia label (56,00 € plus VAT)

3.3 Further equipment & services

Electrical Connection

Electrical Connection of 220 V and one three way socket is included.

Alternative values can be booked over your personal booking link:

„We require other electrical connection values”.

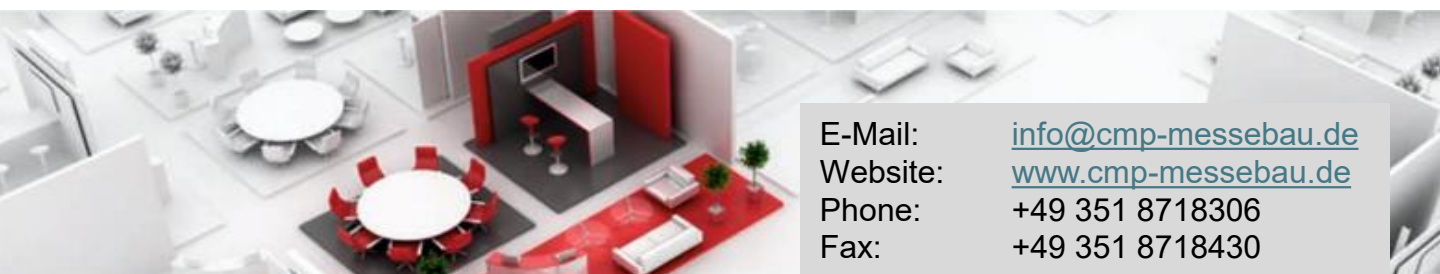

For this an extra fee will be charged. If you tick this box, we will get in touch with you afterwards and let you know the fees.

Only electrical devices that are tested according to DGUV regulations 3 may be used!

WLAN

WLAN for participants is included, if you need a LAN connection at your stand, please contact us.

Do you have any other wishes for your exhibition stand, e.g. printing on the exhibition walls? Then contact us or our trade fair construction partner CMP Creativer Messebau Pökert GmbH.
